## A (Not So) Brief Defense of Christianity

**Jimmy Williams**

### For Further Reading

#### *Theism*

Boa, Kenneth and Larry Moody. *I'm Glad You Asked: In-depth Answers to Difficult Questions about Christianity*. Wheaton, IL: Victor, 1982.

This is a small book, but it is surprisingly thorough. It is exceptionally clear, accurate, and very helpful. A leader's guide is available for those who want to use this book in small group study. Highly recommended.

Brooks, Ron and Norman L. Geisler. *When Skeptics Ask: A Handbook on Christian Evidences*. Wheaton, IL: Victor, 1990.

This book addresses a variety of issues in Christian apologetics, from the existence of God to the authority of the Bible and the nature of humanity. It is very readable, and its handbook format makes it easy for the reader to find answers to specific questions without searching through the whole book.

Geisler, Norman L. *Christian Apologetics*. Grand Rapids, MI: Baker, 1976.

This is a textbook for courses in Christian apologetics, so it is very detailed and at times rather tedious reading. It presents a complete defense of Christianity from a philosophical viewpoint and can be very helpful.

McGrath, Alister E. *The Sunnier Side of Doubt*. Grand Rapids, MI: Zondervan, 1990.

It may seem odd to include a book on doubt here, but it really is appropriate. Like the Yancey book noted below, this is written to believers who are having doubts about their faith. It is very readable and very encouraging. Highly recommended.

Montgomery, John W., ed. *Evidence for Faith: Deciding the God Question*. Richardson, TX: Probe, 1991.

This is a collection of essays by scientists who argue that their various disciplines actually provide more evidence for Christianity. As with any multi-author work, some chapters are better than others, but it is extremely thought-provoking and

should be very helpful in a college environment.

Moreland, J. P. and Kai Nielson. *Does God Exist? The Great Debate*. Nashville, TN: Thomas Nelson, 1990.

This book consists of an actual debate between a theist (J. P. Moreland) and an atheist (Kai Nielson). It includes responses from two other theists (William Lane Craig and Dallas Willard) and two other atheists (Antony Flew and Keith Parsons). All of these men are philosophers, so the debate can be rather challenging at times, but it is a very helpful work for those who want to explore these issues in some depth.

Watkins, William and Norman L. Geisler. *Perspectives: Understanding and Evaluating Today's World Views*. San Bernardino, CA: Here's Life, 1984.

This book examines seven different world views and argues for the truth of Christianity. It is very readable and very helpful.

Yancey, Philip. *Disappointment With God: Three Questions No One Asks Aloud*. Grand Rapids, MI: Zondervan, 1988.

This is a wonderful book that asks some of the hard questions of life. Is God unfair? Is God silent? Is God hidden? For those whose faith in God is being stretched by doubts or trials, this book should be required reading. It is sensitive, biblical, and extremely insightful. Read it!!

### ***The Resurrection of Jesus***

Craig, William Lane. *The Son Rises: The Historical Evidence for the Resurrection of Jesus*. Chicago: Moody, 1981.

This is an excellent book that thoroughly defends the resurrection of Jesus from a historical perspective. It is well-reasoned and very readable. Highly recommended.

Morison, Frank. *Who Moved the Stone?* London: Faber & Faber, 1930. Reprint. Grand Rapids, MI: Zondervan, 1958.

This book was written by a man who intended to disprove the resurrection. In his studies he became convinced that it had actually occurred, and this book presents the evidence that changed his mind.

### ***The Authority of the Bible***

Bruce, F. F. *The New Testament Documents: Are They Reliable?* Downers Grove, IL: InterVarsity, 1960.

This is a helpful book by a highly respected New Testament scholar. He argues for the historical authenticity and reliability of the New Testament.

Geisler, Norman L. and William E. Nix. *A General Introduction to the Bible*. Chicago: Moody, 1968.

This book is titled appropriately, for it provides a general overview of the nature of the Bible, the meaning of inspiration, and the reliability of the biblical manuscripts. It is very helpful and very readable.

Goodrick, Edward W. *Is My Bible the Inspired Word of God?* Portland, OR: Multnomah, 1988.

This book describes the difference between the original autographs of Scripture, currently available manuscripts, and modern translations. It is very clear and encourages the reader to have confidence in the Scriptures.

McDowell, Josh. *Evidence that Demands a Verdict: Historical Evidences for the Christian Faith*. San Bernardino, CA: Campus Crusade for Christ, 1972.

One of the most helpful apologetics books available, this work discusses the uniqueness of the Bible, demonstrates the strength of its manuscript support, and also examines the evidence for the resurrection of Jesus Christ.

\_\_\_\_\_. *More Evidence that Demands a Verdict: Historical Evidences for the Christian Faith*. San Bernardino, CA: Campus Crusade for Christ, 1975.

This sequel to McDowell's first book focuses on higher criticism and scholarly attempts to undermine the authenticity of the biblical text. Very thorough and very helpful.

Yamauchi, Edwin. *The Stones and the Scriptures: An Introduction to Biblical Archaeology*. Grand Rapids, MI: Baker, 1972.

Quite thorough for an introduction, this book argues that archaeological discoveries continue to support the truth of the biblical text.
