CREED

by
Steve Turner

We believe in Marxfreudanddarwin
We believe everything is OK
as long as you don't hurt anyone,
to the best of your definition of hurt,
and to the best of your knowledge

If death is not the end, if the dead have lied,
then it's compulsory heaven for all
excepting perhaps Hitler, Stalin, and Genghis
Khan.

We believe in sex before during
and after marriage.
We believe in the therapy of sin.
We believe that adultery is fun.
We believe that sodomy's OK.
We believe that taboos are taboo.

We believe in Masters and Johnson.
What's selected is average.
What's average is normal.
What's normal is good.

We believe that everything's getting
better
despite evidence to the contrary.
The evidence must be investigated.
You can prove anything with evidence.

We believe in total disarmament.
We believe there are direct links between
warfare and bloodshed.
Americans should beat their guns into
tractors
and the Russians would be sure to follow.

We believe there's something in
horoscopes,
ufo's and bent spoons.
Jesus was a good man just like Buddha
Mohammed and ourselves.
He was a good moral teacher although

We believe that man is essentially good.
It's only his behavior that-lets him down.
This is the fault of society.

Society is the fault of conditions.
Conditions are the fault of society.

We believe that each man must find the truth

we
think his good morals were bad.

that is right for him.
Reality will adapt accordingly.

We believe that all religions are basically

The universe will readjust. History will alter.

the same,
at least the one we read was.
They all believe in love and goodness.
They only differ on matters of
creation sin heaven hell God and
salvation.

We believe that there is no absolute truth
excepting the truth that there is no absolute
truth.

We believe in the rejection of creeds,
and the flowering of individual thought.

We believe that after death comes
The Nothing
because when you ask the dead what
happens
they say Nothing.
